

Inclement Weather Policy

When Montgomery County Schools are closed classes are GENERALLY cancelled however sometimes the weather situations improve by the evening so we may actually be able to hold classes. For this reason we ask students to call one of the following numbers AFTER 3:00pm on the afternoon of class to verify the class status: 301-990-1846 or 301-330-0050 x2430.

When Montgomery County Schools have a delayed opening 9:30, 9:45, 10:30 and 10:45 classes are NOT held. All others ARE held.

When Montgomery County Schools have an early dismissal all evening classes are cancelled.
